A Second Chicken Soup for the Woman's Soul has taken more than year to write,compile and edit.It has been a true labor of love all of us.One of the greatest joys of creating this book was working with people who gave this project not just their time and attention,but their hearts and souls as well.We would like to thand the following people for their dedication and contributions,without which this book could not have been created.

这着实是我赶时髦看的书。也没怎么好好看吧

美丽心灵，家，温暖和爱。
