'...formidable scholarship...'

Julius Lipner, Journal of Theological Studies, 1982.

'An immensely detailed and erudite study of the non-srauta rites from a number of perspectives...an invaluable sourcebook that should serve scholars quite well...'

James A. Santucci, Religious Studies Review, 1983.

'This book is...a mine of information: no library with a serious interest in Indological scholarship can afford not to have it.'

Steven Collins, Journal of the Royal Asiatic Society, 1982.
