A luxurious and unique celebration of contemporary design, produced by one of the most successful and sophisticated brands in the world, Moleskine. The book is released alongside with an exhibition at the 'Salone del Mobile' culminating with an auction at Sotheby's Milan where all the works are sold. This 364-page edition, presented in thread-sewn bound white casing is complete with 450 illustrations printed on ivory paper and comes with a 120-page Moleskine drawing book.
