Acclaimed Caldecott artist Molly Bang paints a stunning, sweeping view of our ever-changing oceans. In this timely book, award-winner Molly Bang uses her signature poetic language and dazzling illustrations to introduce the oceanic world. From tiny aquatic plants to the biggest whale or fish, Bang presents a moving, living picture of the miraculous balance sustaining each life cycle and food chain deep within our

wondrous oceans. On land or in the deep blue sea, we are all connected--and we are all a part of a grand living landscape. Packed with clear, simple science, this informative, joyous book will help children understand and celebrate the astonishing role our oceans play in human life.
