Completely updated, Counseling the Culturally Diverse: Theory and Practice, Sixth Edition is the most widely used and critically acclaimed text on multicultural counseling, offering students and professionals essential and thought-provoking

material on the theory, research, and practice of multicultural counseling. The new edition presents the newest research in the field of multicultural counseling, as well as an expanded section on microaggressions. With its unique conceptual framework for multicultural therapy, this book remains the best source of real-world counseling preparation for students and the most enlightened, influential guide for professionals.
