Linear Algebra Tools for Data Mining
[Linear Algebra Tools for Data Mining_下载链接1_](#)

著者:Simovici, Dan A.

出版者:

出版时间:2012-6

装帧:

isbn:9789814383493

This comprehensive volume presents the foundations of linear algebra ideas and techniques applied to data mining and related fields. Linear algebra has gained increasing importance in data mining and pattern recognition, as shown by the many current data mining publications, and has a strong impact in other disciplines like psychology, chemistry, and biology. The basic material is accompanied by more than 550 exercises and supplements, many accompanied with complete solutions and MATLAB applications.
