Transform your life. Rewrite your destiny.

In his most personal novel to date, Paulo Coelho returns with a remarkable tale of self-discovery. Much like the shepherd boy Santiago in his bestselling novel *The Alchemist*, Paulo has recently been brought low by a grave crisis of faith. Seeking a path of spiritual renewal and growth, he sets off on a trip via the Trans-Siberian Railway in order to meet new people and revitalize his passion for life. Even so, he never expects to meet Hilal. A gifted young violinist, she is the woman Paulo loved five hundred years before—and the woman he betrayed in an act of cowardice so far reaching that it prevents him from finding real happiness in this life. Together they will initiate a mystical voyage through time, traveling a path that teaches love, forgiveness, and the courage to overcome life's inevitable challenges. Beautiful and inspiring, *Aleph* invites us to consider the meaning of our own personal journeys: Are we where we want to be, doing what we want to do?

Some books are read. *Aleph* is lived.

我一向偏执的病态。一直心心念念的想要寻找那个时间可以静止的地方。我一直希望可以找到那本。属于自己的以太。

第一次读巴西作者的书，写的很好。不过，有些内容读不懂唉...很想也进行一次跨西伯利亚之旅.....
