著者:Liesbeth den Besten

出版者:Arnoldsche Verlagsanstalt

出版时间:2011-10-15

装帧:Hardcover

isbn:9783897903494

A reflective book about international contemporary art jewellery that aims to open up new points of view about what art jewellery is or can be.

作者介绍:

Since 1985, Liesbeth den Besten has worked free lance as a writer for newspapers, art and design magazines and exhibition catalogues. She is active as an advisor and jury member for Dutch and international governmental institutions, exhibitions and

competitions, and lectures about contemporary jewellery and crafts at international conferences and art academies. She is chairwoman of the Francoise van den Bosch Foundation for contemporary jewellery and one of the founding members of Think Tank, a European Initiative for the Applied Arts.

一本关于当代首饰的概述 确实适合一读再读

文字其实有点枯燥，但也是她的写作方式，更多是在称述一段历史并非提出观点，做了一些分类。作为“史料”还是很好的，可以查阅一些资料，要是想再深入就有点困难。

值得一读再读

Excellent ~
