评论

一开始，关注的只是谁会赢，谁采取的策略是对的，谁的伙伴关系更好这类的问题，到最后，当然会为赢的那队高兴，但更让人印象深刻的，还是失败的那队，在漫长的冬季中，他们经历了怎样的绝望？想想都不寒而栗。

If you know are doomed to lose the game, how to choose? Insist on or give up?

2018-8-29 阅读完

I'm cried. Norwegians is win, Norway's flag at South Pole .cried because Scott, Wilson, Bowers, and Oates . Their been through. And everyone's been through. Where are Oates's body? Don't know, everybody.

"This is like home". The South Pole is another similar home to Norwegians, not British. Hence, do whatever u can, choose whatever u want. ps他们从Wellington粗发的呀：)

书虫一级，文学版见茨威格《群星》

不是很喜欢Scott 如果不是他的失误 结局未必这么悲壮啊。
无论如何还是向那些征服寒冷与远方的人们致敬。不能想象寒冷和绝望是中生命如何消逝尽净的。不能想象。

悲剧之所以为悲剧，美在未完成。且此生只为其殉道。

一支挪威船隊與一支英國船隊競爭成為第一個到達南極的故事 雖然最後captain Scott的死讓人很悲傷 但是這其實很大程度上是他自己的責任 與captain Amundsen相比他的準備一點都不充足

还行吧 故事性没有太强 不过给孩子读还算是okk的了

挪威人赢的不漂亮，维京血脉一点都没感受到。都没讲是啥品种的狗，应该不是二哈吧。
。

170104

在恶劣的环境下，团队意识和策略都很重要，scott的错误行为强化了这一点

Sledge skier pony pole exact boot

没有吸引力的开头，悲壮泪奔的结尾

书虫系列第8篇。决定了去做一件事就要全力以赴。Scott said they did their best.
In fact, they don't!

南极抢占赛，现在开始！赢了的那一方将载誉而归，输的那一方不仅无人问津，还有可能尸留茫茫冰原。

Chance is only prepared for those who prepared himself. We try not because we are sure that we can win in this way, instead, we know it can only slightly increase the chance to win. So, not to envy those who succeeded, but to learn what they have done more than me.

开始就觉得挪威人会赢，就是结局太悲壮了

Norway's flag at South Pole.成功是由诸多因素决定的。反过来，英国队没能成为第一个到达南极的，是因为被许多细节打败了。Anyway,

不以成败论英雄。他们不断追求、探索精神是值得我们学习的。Oates died like a good Englishman. We (Scott, Wilson and Bowers) all did. Please, remember us, and look after our families. We did our best.-致敬
