

Global Perspectives on Global History

[Global Perspectives on Global History_ 下载链接1](#)

著者: Dominic Sachsenmaier

出版者: Cambridge University Press

出版时间: 2011-9-26

装帧: Hardcover

isbn: 9781107001824

Dominic Sachsenmaier examines both the transnational dynamics and networks of global history through case studies on China, Germany and the United States. By extending these local and global connections and integrating approaches to the subject from across the world, he demonstrates how historians can enrich their conceptions of global history.

作者介绍:

Dominic Sachsenmaier, Duke University, North Carolina

Dominic Sachsenmaier is Assistant Professor of Trans-Cultural and Chinese History at Duke University.

目录: Introduction: neglected diversities

- 1. Movements and patterns: environments of global history
- 2. A term and a trend: contours in the United States
- 3. On the margins of a troubled nation - approaches in Germany
- 4. Another world? Thinking globally about history in China

Epilogue: global history in a plural world
