评论

Love him on stage & LLS, but this's Airport Books kinda crap. No insight/witticism/comic timing/anything of the sort(high school dropout Ferguson managed PLENTY in his book). Not a writer/comedian/pro trained versatile actor. Guess it's all in the title -- just a massive show-off, albeit a good one at that.

【HB不够多】公众人物自传写成wiki流水账还有看头吗

书如其人，真要读来也是可爱的
