House of Stone is the story of a battle-scarred home and a war correspondent's

jostled spirit, and of how reconstructing the one came to fortify the other. In this poignant and resonant memoir, the author of the award-winning *Night Draws Near* creates a mosaic of past and present, tracing the house's renewal alongside his family's flight from Lebanon and resettlement in America. In the process, Shadid memorializes a lost world, documents the shifting Middle East, and provides profound insights into this volatile landscape. *House of Stone* is an unforgettable meditation on war, exile, rebirth, and the universal yearning for home.

## 评论

第二部比第一部更好看。真人真事，非虚构不文艺，内容没小标题所暗示的范围那么大。我产生一种奇怪的感觉，他之前就知道这会成为遗言。
