London's Soho district underwent a spectacular transformation between the late Victorian era and the end of the Second World War: its fin-de-siecle buildings and dark streets infamous for sex, crime, political disloyalty, and ethnic diversity became a centre of culinary and cultural tourism servicing patrons of nearby shops and theatres. Indulgences for the privileged and the upwardly mobile edged a dangerous, transgressive space imagined to be "outside" the nation. Treating Soho as exceptional, but also representative of London's urban transformation, Judith Walkowitz shows how the area's foreignness, liminality, and porousness were key to the explosion of culture and development of modernity in the first half of the twentieth century. She draws on a vast and unusual range of sources to stitch together a rich patchwork quilt of vivid stories and unforgettable characters, revealing how Soho became a showcase for a new cosmopolitan identity.

评论

以伦敦的Soho为舞台，集中讨论了Cosmopolitan这个概念。海外清史研究经常称北京为Cosmopolitan，其间颇多可对照之处，值得叶公好龙地翻翻。至于具体研究我就无法评论了，实在不熟。
