Sound sculpture is an audio-visual, time-dependent artform which crosses the boundaries of fine art and musical art, challenging traditional notions of sculpture and sound, and amalgamating them in new ways. Includes works created in Australia or by Australians chosen for their interesting intersections between the components.

## 书评

从图书馆借来 次日才想起来我借了本书 其实我对文字不是很感兴趣  
更感兴趣的是那张随书附带的CD 里面有30 tracks  
我觉得如果自己把自己关在小黑屋子里 一直听完30个曲目 我不变神经病也差不多了  
归正题 声音在当代艺术中的应用越来越广泛 除去应用在video中 其他作品中也屡闻不...
