著者:Jean Hampton

出版者:Cambridge University Press

出版时间:1988-8-26

装帧:Paperback

isbn:9780521368278

This major study of Hobbes' political philosophy draws on recent developments in game and decision theory to explore whether the thrust of the argument in Leviathan, that it is in the interests of the people to create a ruler with absolute power, can be shown to be cogent. Professor Hampton has written a book of vital importance to political philosophers, political and social scientists, and intellectual historians.
