

The Transvestite Achilles

[The Transvestite Achilles 下载链接1](#)

著者:P. J. Heslin

出版者:

出版时间:2009-7

装帧:精装

isbn:9780521117753

"Heslin's analysis convincingly shows that Statius skillfully employs the literary past to revisit familiar questions and to offer new insights. In the process, Heslin reveals a coherently intriguing and interesting Achilleid." - Charles McNelis, Georgetown University, Classical World
