出版者:University of Chicago Press

出版时间:2011-4-19

装帧:Hardcover

isbn:9780226710884

In *Islam Translated*, Ronit Ricci uses the *Book of One Thousand Questions*—from its Arabic original to its adaptations into the Javanese, Malay, and Tamil languages between the sixteenth and twentieth centuries—as a means to consider connections that linked Muslims across divides of distance and culture. Examining the circulation of this Islamic text and its varied literary forms, Ricci explores how processes of literary translation and religious conversion were historically interconnected forms of globalization, mutually dependent, and creatively reformulated within societies making the transition to Islam. *Islam Translated* will contribute to our knowledge of this region of the Muslim world that remains crucially important to world affairs.
