感觉比action那本要强像是cookbook类型的整个过完以后hadoop生态圈的各种都接触到了这本书适合当参考手册用

目录:

This is a very high quality book which is packed with useful examples. It is a perfect book for someone who want to learn new tools/technology while following pragmatical and real-world examples. This is a must buy for any Hadoop developers.

《Hadoop in Action》, Practice》	用来上手可以,	更加实用的书,	我推荐这一本	《Hadoop in
