评论

The most luxury thing always can't buy with money. But, in this capitalism society, more and more things can be transact instead that can't be . The bottom line of our ehtics was stroken once by once. After the more we gain, we realise that a good society not like the world nearly everything we can buy and discuss what's wrong with our society?

Sandel suggests that in current society, the rich isolates themselves from the poor: they lead a separate life and the class mixing experience is no longer present.
想起查理芒格坐经济舱时的一句话：我一辈子都在努力贴近生活，不想被生活隔离开阻断去。

市场化带来一种伦理上腐化的困境 中国也不远了吧

购于2018年8月，波士顿的哈佛书店，我买了本很新的二手书，看了一年多emm，文章很有趣，就是我英语有点问题，似乎是19年九月中旬在学校图书馆看完的，还没看完就看到了保研名单，看完书还是流了泪，谢谢澜澜。

Sandel 今年的新书。副标题是 The Moral Limits of Markets. 好的，下周开读。

The era of market triumphalism has coincided with a time when public discourse has been largely empty of moral and spiritual substance. Market is extremely powerful in shaping our worldview. But as Sandel suggests, certain goods are changed (or corrupted) by attaching a monetary value- maybe we should not let market get the better of us.

10-13.Sep

与其说是经济学类的书，更像是一部站在更全面的社科角度看经济社会的著作。很独特的角度，会让有经济学基础的人耳目一新。有时会觉得作者对于道德准则过于苛刻，但或许这就是我已腐化的证明

利用午睡前的时间读完了这本书，真的是一字一句念完的啊。语言难度比我想象的小一些，基本没有大的理解障碍。总体感觉例子很多，结论似乎没有。也许是要读者自己来思考吧。
