New York Times bestselling author Jodi Picoult and her teenage daughter present their first-ever novel for teens, filled with romance, adventure, and humor. What happens when happily ever after...isn't? Delilah is a bit of a loner who prefers spending her time in the school library with her head in a book—one book in particular. Between the Lines may be a fairy tale, but it feels real. Prince Oliver is brave, adventurous, and loving. He really speaks to Delilah. And then one day Oliver actually speaks to her. Turns out, Oliver is more than a one-dimensional storybook prince. He's a restless teen who feels trapped by his literary existence and hates that his entire life is predetermined. He's sure there's more for him out there in the real world, and Delilah might just be his key to freedom. Delilah and Oliver work together to attempt to get Oliver out of his book, a challenging task that forces them to examine their perceptions of fate, the world, and their places in it. And as their attraction to each other grows along the way, a romance blossoms that is anything but a fairy tale.

评论

还是挺有意思的一本故事，视角很新颖，人物个性色彩也蛮鲜明～我们都想过吧，假如童话故事里的王子是真的就好了，假如他能与我相爱就好了

I do not like it!
