Completely updated and now in a convenient paperback format (with French flaps!), "Essential Manners for Men" draws from recent Post Institute surveys to cover a range of subject matter in three easy-to-follow parts - Daily Life, Social Life, and On the Job. Filled with accessible sidebars, tips, and stories from Peter's own experiences, "Essential Manners for Men" is quick, sharp, and sensible, with all new material including: Social Media: social networking, gaming, and the world of online dating; Communication: both in person - greetings, handshakes, and the all-important first impression - and on-the go-texting, emailing, and smart phones; Life Changes: dealing with bumps in the road, from divorce to layoffs; Weddings: the man's role in a wedding-from groom to best man to usher-and the changing nature of the bachelor party; and, Entertaining, dining, tipping and much more. "Essential Manners for Men" gives men the confidence they need to excel in their personal, social and business lives, and the know-how to navigate even the most difficult situations.
