This volume of "Creative Beading" includes more than 75 projects to inspire beaders. Each of the book's three sections, single-stitch, multi-stitch, and wirework & stringing, contains a wealth of editor-tested projects by many well-known designers. This book

also includes thorough sections on basics, tools, and materials, and features an introduction written by "Bead&Button" editor Julia Gerlach. This is one of the only book series that compiles almost every project from a year's worth of magazines. The large number of projects this book offers, and the great quality of this hardcover book makes it a great value for the price.
