Key strategies for running a family office for fund managers Understanding the basics of the family office industry is essential if you want to succeed in establishing a successful fund for a wealthy family. That's where The Family Office Book comes in. Outlining key strategies for family offices, from what a family office is to how the industry operates, and important global differences, the book is packed with interviews with experts from leading family offices. Providing readers with need-to-know tips and tools to succeed, The Family Office Book gives current and future practitioners everything they need to know about this popular segment of the financial industry. Includes investment criteria, presented as a roadmap showing how several family offices are allocating capita Outlines strategies for fund managers of all types, including mutual funds, real estate funds, private equity, and hedge funds on raising capital in this field Features interviews with the most famous and sought after family offices to give real-life examples of successful family offices in action A comprehensive and reliable resource, The Family Office Book details exactly how family offices are choosing investment managers and why, and how, to break into the industry.
