出版者:Praeger

出版时间:2011-4-7

装帧:Hardcover

isbn:9780313387494

People have been creating digital stories since before the Web began, but only recently have so many powerful mediums for sharing these stories become available to the general population. Today's digital storytelling is not just for tech-savvy individuals; anyone with a desire to express their creativity can learn to use modern technology to share their experiences.
