Hardcore pornography is becoming so ubiquitous on the web, it is shaping and distorting the way many of today's young men and women think about sex and intimacy. Cindy Gallop discovered this through personal experience. In a bold, honest book, she describes numerous examples of porn-influenced behavior from the hilarious to the disturbing.

"Make Love Not Porn" is part of the new TED Books series. TED Books are short digital books that present a single powerful idea.

就tmd一本讀編交流錄，看標題就夠了

-----  
I think this book just wanna talk about one thing:What's porn tells you is not real sex world.Concern about your experience,feel and desire. That is true.  
-----

Porn fucks up your brain. The more porn you see, the kinkier sex you want. Porn is 100 billion industry globally, 15 B in US.

有一位阿姨，喜欢看毛片，喜欢约会年轻男孩。她逐渐发现年轻一代在床上的动作表情越来越模仿毛片。这是因为社会讳谈性爱，毛片成了年轻人的性教育源泉。阿姨觉得这样不行，于是建了个网站，指出毛片和现实的不同。然后又写了这本书，阐明放开心怀谈论性爱的重要性，顺及毛片业的何去何从。还挺有意思的

-----  
哈哈哈哈哈，如此严肃的书被我看的好欢乐是怎么回事

-----  
先看了TED顺便下了书，论不要盲目学习毛片，虽然看得很欢乐，但其实看TED和随便看下网站也就行了。

-----  
看TED视频就够了，书的内容很水。

-----  
8月27日-28日，一本小书。

-----  
这种常识需要出本书来说么。。。

-----  
书很水。

-----  
推荐，ted books，先看视频，再看书，好！

-----

-----  
The 4-min TED talk basically summed up this little book...<http://t.cn/zWMnauh>

-----  
well... what should i say

-----  
Written in a strong sales and marketing style, there were way too many feedbacks from the website users but literally zero scientific data to back up her argument. €3 for a tedious "big leaflet". Void.

-----  
收到Kindle读的第一本电子书。书的立意还不错，不过东西方对性的态度不一样。We prefer leash-like commitment to one-night stand.

-----  
书的内容果然很水
