Want to use an Adobe tool to design animated web graphics that work on iPhone and iPad? You've come to the right book. Adobe Edge Animate Preview 7: The Missing Manual shows you how to build HTML5 graphics using simple visual tools, just as with

familiar programs like Photoshop and Flash. No programming experience? No problem. Adobe Edge Animate writes the underlying code for you. With this eBook, you'll be designing great-looking web elements in no time. Bestselling author Chris Grover has more than 25 years experience in graphic design and electronic media. He excels in making complex technology fun and easy to learn. In Adobe Edge Animate Preview 7: The Missing Manual, he continues the winning formula of Flash CS5.5: The Missing Manual and Google SketchUp: The Missing Manual. Throughout the book, illustrations make it clear what you should be seeing onscreen as you work through step-by-step instructions. You can download example files to work with, or create your own animations right from the start. With the purchase of this book, you'll be able to download updates to the electronic versions, which will be updated to keep up with changes to Adobe Edge.
