

Lonely Planet Antarctica

[Lonely Planet Antarctica_ 下载链接1](#)

著者:Alexis Averbuck

出版者:Lonely Planet

出版时间:2012-12-1

装帧:Paperback

isbn:9781741794595

“Preserved for peace and science, this ice-crowned continent offers inspiration, adventure and perspective. Wildlife roams freely, icebergs crash into the sea, whales breach beside your ship. It’s the trip of a lifetime.” – Alexis Averbuck, Lonely Planet Writer

Experience Antarctica

Start your adventure with the only complete travel guide to the Ice, from the popular Antarctic Peninsula to the white expanse of the South Pole – plus surrounding islands like the Falklands and South Georgia
