The story of Doyle Brunson, an American treasure and the greatest poker player of all time, is one for the ages. It's a story of guts and glory, of good luck and bad, of triumph and unspeakable tragedy, of courage and grace. He has survived whippings, gun fights, stabbings, mobsters (the real-life ones portrayed in the movie Casino), murderers, and a death sentence when, riddled with incurable cancer, he was given months to live by doctors who told him his hand was played out. Apparently, fate had never played poker with Brunson—he lived. Of a group of 32 men he played poker with in the tough alleys of Texas, just he and one other survived the treacherous perils of that life. A master of the bluff, his most outrageous bluff came after being pistol-whipped and told he's going to die with a gunman pointing a pistol at his forehead. Again, he lived. He's gambled for millions of dollars—and with his life against the real-life mobsters and killers made famous in the movie Casino—and was the biggest sports bettor in the world with a reputation of betting enormous sums of money on just about anything. Doyle has not only made more money at golf than anyone else until Tiger Woods came along, he once bet one million dollars on a single hole—that, when he was virtually wheelchair-bound and could barely stand. He's been hard-up flat broke more times than he's got fingers and has won millions of dollars just as many times. Brunson has seen it all: from the athletic dreams and a leg shattered by a freak injury which waylaid his path to the NBA (he was drafted by the Lakers), to the devastating death of his first-born daughter, to outrageous exploits like trying to discover Noah's Ark and raise the Titanic. Doyle's rollercoaster of a life defines the saying: Truth is stranger than fiction. Twice a winner of the prestigious World Series of Poker in Las Vegas, he's won millions and lost millions—sometimes in seconds—but decidedly more of the former than the latter. Brunson can still be found playing in the highest stakes poker games in the world, often with as much as one million dollars in front of him. To every one of the 250 million people worldwide who play poker each year, Doyle Brunson, is the legendary “Babe Ruth of Poker”—the greatest gambler and poker player who has ever lived.

评论

肯定不是最厉害的，但绝对是扑克史上最传奇最重要的人物，没有之一。其经历精彩到绝对可以拍个80集的连续剧了。书中最精彩的部分当属Doyle对早期德州扑克进程的描写以及2002年之前拉斯维加斯的不为人知的扑克故事。其中有对大量知名选手事迹的描写，包括Johnny Moss，Stu Unger，Slim等人，更有大量Doyle私生活的细节揭露。Doyle也对历史扑克选手做出了自己的排名，一向偏向于老一辈的他认为Stu Unger是竞标赛历史最强（本书出版后3年改成了Phil Hellmuth），还认为Chip Reese是史上最强（个人认为与其私交有关）。当然Doyle当时也准确的预测了Phil Ivey会主宰整个扑克世界，Patrik Antonius会成为传奇。（书中还提到了邱老师很厉害哦）
