A New York Times Notable Book

A Kirkus Reviews Best Book of 2012

A bold approach to understanding the American evangelical experience from an anthropological and psychological perspective by one of the country's most prominent anthropologists.

Through a series of intimate, illuminating interviews with various members of the Vineyard, an evangelical church with hundreds of congregations across the country, Tanya Luhrmann leaps into the heart of evangelical faith. Combined with scientific research that studies the effect that intensely practiced prayer can have on the mind, When God Talks Back examines how normal, sensible people—from college students to accountants to housewives, all functioning perfectly well within our society—can attest to having the signs and wonders of the supernatural become as quotidian and as ordinary as laundry. Astute, sensitive, and extraordinarily measured in its approach to the interface between science and religion, Luhrmann's book is sure to generate as much conversation as it will praise.

评论

从嬉皮Christian，福音派的experiential spirituality到其他宗教、萨满教共通的技巧，再到自发性神秘体验和精神疾病的分界线，面面俱到了，特别憧憬这个模板。美中不足的是有点啰嗦...要是能再简洁一点就好了。

---

这本书很好读，Preface 和 Chapter 2比较有趣  
看了Luhrmann视频为她凌乱的发型所倾倒

---

讨论Charles Taylor的世俗化理论时作为一个对话对象存在的书目。It investigates how New Evangelicals in the Vineyard experience God's presence as REAL through the gradual and slow attentional learning (their own cultivation of their minds, senses, emotions, etc.) in intimate and everyday settings when faith is no longer an either-or question but coexists with doubt.
