To say that Augusten Burroughs has lived an unusual life is an understatement. From having no formal education past third grade and being raised by his mother's psychiatrist in the seventies to enjoying one of the most successful advertising careers of the eighties to experiencing a spectacular downfall and rehab stint in the nineties to having a number one bestselling writing career in the new millennium, Burroughs has faced humiliation, transformation and everything in between. "This Is How" is his no-holds-barred book of advice on topics as varied as: How to feel like crap, How to ride an elevator, How to be thin, How to be fat, How to find love, How to feel sorry for yourself, How to get the job, How to end your life, How to remain unhealed, How to finish your drink, How to regret as little as possible...and much more. Told with Burroughs' unique voice, black humour, and in-your-face advice, "This is How" is Running With Scissors - with recipes.
