The Geek Shall Inherit the Earth

Accordions rule, and so—finally—does Jon Arbuckle!

It's revenge of the nerds when Jon grabs Garfield's traditional lead role and takes center stage with a delightfully dorky new book of his own.

Through classic comics, blog entries, and a wealth of other wacky new material,

experience Jon’ s dating disasters, phone call faux pas, wardrobe malfunctions, and mirthful mishaps—and cheer the geek with a heart of gold as he finally finds true love with Liz, the veterinarian. (Who’ d have thunk it?)

So, rejoice, Jon fans, and enjoy the fun. The moment of goof has arrived!
