Conservative radio host and syndicated columnist Dennis Prager provides a bold, sweeping look at the future of civilization with *Still the Best Hope*, and offers a strong, cogent argument for why basic American values must triumph in a dangerously uncertain world. Humanity stands at a crossroads, and the only alternatives to the “American Trinity” of liberty, natural rights, and the melting-pot ideal of national unity are Islamic totalitarianism, European democratic socialism, capitalist dictatorship, or global chaos if we should fail. *America is Still the Best Hope*, as this eminently sensible, profoundly inspiring volume so powerfully proves.
