装帧:Paperback

isbn:9780198077466

This path-breaking work on the social and economic history of colonial India traces the evolution of north Indian towns and merchant communities from the decline of Mughal dominion to the consolidation of British empire following the 1857 'mutiny'. C.A. Bayly analyses the response of the inhabitants of the Ganges Valley to the upheavals in the eighteenth century that paved the way for the incoming British. He shows how the colonial enterprise was built on an existing resilient network of towns, rural bazaars, and merchant communities; and how in turn, colonial trade and administration were moulded by indigenous forms of commerce and politics. This edition comes with a new introduction. This book is an important reading for students, scholars, and teachers of modern Indian history, economic history, and sociology.

评论

领域内具有绝对开创性地位的重要著作，需反复多次阅读。不过Bayly师祖早年的英文写作（此书在他35岁前完成）实在难读，长句连篇，比起后来的Empire and Information等不可同日而语。
