Part of the Childrens Dictionary range from Collins, Collins Junior Dictionary has been especially written to support the language and literacy needs of children aged 7-8. It introduces key dictionary features such as showing parts of speech (noun, verb, adjective or adverb) and other forms of a word (for example plurals or past tense of a verb). The clear, spacious layout, colour headwords, guidewords and the A-Z on each page ensure that the dictionary is easy to use. Full sentence definitions and example sentences show the headword used in a context familiar to children. The Collins Word Wizard section gives extra help with grammar, writing and using the Internet as well as handy hints for learning tricky spellings and cool new words, themed word lists and games to play with the dictionary.
