This paperback edition includes an exclusive conversation between Bill and Giuliana Rancic, hosts of NBC's Ready for Love, and Tracy McMillan, one of its expert matchmakers. This new relationship show features three of America's most eligible guys searching for their soul mates.

If you're looking to get married and you're not, there's most likely a very good reason: you. Hey, you're certainly not a bad person! You just haven't yet become the woman you need to be in order to have the partnership you want. That's where this book comes in. Based on her wildly popular Huffington Post article, Tracy McMillan's Why You're Not Married . . . Yet dishes out no-holds-barred practical wisdom for women hoping to head down the aisle. And this new edition features even more candid advice and sisterly insight. McMillan points out the behaviors that might be in your blind spot and shows you how to adjust them to get the relationship you deserve. Do any of these chapter headings sound familiar?

- You're a Bitch: How defensiveness can hide behind a tough exterior, and why being nice is never a sign of weakness.
- You're a Liar: How to stop lying to men—and get honest with yourself—about the kind of relationship you really want.
- You're Selfish: The big secret about marriage: It's about giving something, not getting it.

A funny, insightful guide, Why You're Not Married . . . Yet will change your life and the way you think about relationships, and it may very well lead you down the aisle.

“Very wise . . . Give this book to every single girlfriend [you] have.” — Marie Claire

“Equal parts BFF, boot-camp instructor, and relationship guru, Tracy McMillan will change the way you think about yourself and your relationships. This book is for every woman out there who wants to have a great marriage.” —Ricki Lake
