作者介绍:

Alan S. Gerber is Professor of Political Science and Director of the Center for the Study of American Politics at Yale University where he teaches courses on experimental methods, statistics, and American politics. His experimental research has appeared in numerous academic journals including the leading journals in political science.

Donald P. Green is Professor of Political Science at Columbia University, and the former director of Yale University's Institution for Social and Policy Research. He is the author of numerous articles and several scholarly books on voter turnout, party identification, and experimental methods, including *Get Out the Vote: How to Increase Voter Turnout* (with Alan S. Gerber).
