Review: "While the French Revolution has been much discussed and studied, its impact on religious life in France is rather neglected. Yet, during this brief period, religion underwent great changes that affected everyone: clergy and laypeople, men and women, Catholics, Protestants and Jews. The 'Reigns of Terror' of the Revolution drove the Church underground, permanently altering the relationship between Church and State." "Nigel Aston offers a guide to these tumultuous events. While the structures and beliefs of the Catholic Church are central, it does not neglect minority groups like Protestants and Jews. Among other features, the book discusses the Constitutional Church, the end of state support for Catholicism, the 'Dechristianisation' campaign and the Concordat of 1801-2." "Key themes are the capacity of all the Churches for survival and adaptation, the role of religion in determining political allegiances during the Revolution, and the turbulence of Church-State relations." "In this masterly study, based on the latest evidence, Aston sheds new light on a dynamic period in European history and its impact on the next 200 years of religious life in France."--BOOK JACKET.

作者介绍:

目录: Part I: Ancien regime religion -- The Gallican church structure and personnel -- Catholicism in eighteenth-century France: varieties of practice and belief -- Other denominations -- The church and the Enlightenment -- Part II: The impact of revolution -- The Gallican church and the crisis of the monarchy, 1786-9 -- The collapse of the historic ecclesiastical order, 1789-90 -- The civil constitution -- Part III: From schism to terror, 1791-5 -- Church, state and revolution, 1791-5 -- The survival of religious groups: The constitutional church -- The survival of religious groups: the refractory church -- The survival of religious groups: Protestants and Jews, 1789-1795 -- Dechristianisation and the alternatives to Christianity -- Part IV: Towards a new religious order: The directory and the consulate -- Religion and the directory, 1795-9 -- Religion and the consulate, 1799-1804 -- Conclusion: The first empire and beyond.
