Now you can trust the only book specifically written for address concepts from intermediate or advanced corporate finance with Brigham/Daves' INTERMEDIATE FINANCIAL MANAGEMENT, 11E. This comprehensive book written by renowned finance authors Gene Brigham and Phillip Daves presents a unique, balanced coverage of the

conceptual theories and practical skills that lead to stronger financial decisions. The book reinforces coverage from earlier corporate finance learning, while providing new advanced material to challenge even the most prolific learners. Coverage of core issues and of developing trends that are reshaping finance today are clearly discussed throughout the book's reader-friendly approach that is filled with timely real business examples, integrated cases, and Excel spreadsheet models. A comprehensive support package includes Thomson ONE-Business School Edition, the same financial online database Wall Street professionals trust every day as well as optional solutions Aplia for Finance, today's leading online homework management system, and the CengageNOW online learning system with personalized learning path and support.
