Sizzling David Baldacci's novels have been called "sizzling" (USA Today) and "superior" (Houston Chronicle). Now Baldacci is back, with the story of a death row inmate, a Supreme Court clerk, and a crime that is costing people their lives... Terrifying Michael Fiske broke the law when he took Rufus Harms's prison letter from the Supreme Court. But he also sealed his own fate. Now Michael's brother, a cop turned attorney, is coming to Washington to find out why his brother was murdered-and what it had to do with a crime that Rufus Harms committed twenty-five years before... Simply the Best In his new novel of corruption, romance, family, and justice at the heart of the American republic, David Baldacci takes us on a journey of harrowing conspiracy-and proves once again that in the realm of suspense, he is in a league of his own. The Simple Truth It's never what it seems...
