The classic tales in this lavishly illustrated collection have enchanted generations of readers. Here, among others, is the fair Snow White, Rapunzel with her golden tresses,

and the princess so delicate that even just a small pea hidden under 20 mattresses keeps her awake at night. The stories are paired with magnificent artwork by some of the most renowned children's book illustrators of the late 19th and early 20th centuries. From Arthur Rackham to Millicent Sowerby to Kay Nielsen, each brought a unique artistic vision to these timeless tales. This beautifully designed edition is equally at home on a child's bedside table as it is on a collector's bookshelf.
