In her third book, Daisy once again turns the tables on Mum.

“Don’ t pick your nose!” says Daisy’ s mum. “You do!” returns Daisy, pointing out the time mum was picking her nose on the way to Gran’ s. And each time Mum tries to reprimand Daisy for a bad habit, Daisy has an example of when Mum did it, too. If you liked Eat Your Peas and Really, Really , you will love this book.- From the Hardcover edition.
