Book Description

Becky Bloomwood, America's favorite shopaholic, is back in a hilarious, heartwarming tale of married life, best friends, and long-lost sisters (and the perils of simply having to own an Angel handbag!)

What's a round-the-world honeymoon if you can't buy the odd souvenir to ship back

home? Like the twenty silk dressing gowns Becky go on a budget. And worse: her beloved best friend Suze has found a new best friend while Becky was away. Becky's feeling rather blue -- when her parents deliver some incredible news. She has a long-lost sister! Becky is thrilled! She's convinced her sister will be a true soulmate. They'll go shopping together, have manicures together..... Until she meets Jessica for the first time and gets the shock of her life. Surely Becky Bloomwood's sister can't hate shopping?
