A unique approach combining grammar, vocabulary and phrases to give students the

range of language they need to communicate effectively. Language Links combines grammar, vocabulary and phrases to give the range of language learners need to communicate effectively in English. To talk about clothes, for example, they not only need vocabulary (trousers, skirt), but also grammar ("I'm wearing", "she's wearing") and phrases such as "get dressed." Special links direct learners to related language areas, allowing them to choose their own learning path through the book and progress at their own pace. This beginner/elementary book, with answers and Audio CD, is ideal for self-study.
