"My Grandpa's is Briefcase" is a treasure chest of wisdom and surprises. Open grandpa's briefcase, play the ABC game, check out his secret beetle collection, help grandpa count his pennies, enjoy knock-knock jokes behind a lift the flat door and have fun with the real whoopee cushion. There are shoelaces to tie, a clock for learning how to tell time, even grandpa's original decision maker with a spinner that points to yes, no, or maybe (plus vanilla, chocolate, strawberry). And help grandpa find his glasses - all 10 of them!
