Connect, First Edition, is a fun, 4-level, multi-skills American English course especially written and designed for young adolescents. Audio Cassettes 2 provides listening support for Student's Book 2, which is a high-beginning-level text for students aged 11-15. Audio Cassettes 2 includes recordings for the Vocabulary, Language Focus, Listening, Pronunciation, and Reading exercises. They provide an opportunity for students to listen to native American English. In the recordings for the Language Focus 'Listen and check your answers' exercises, students listen to the tape as they check what they wrote.
