Synopsis

Designed to accompany the widely acclaimed Collins Easy Learning Spanish Dictionary and to complement the new Collins Easy Learning Spanish Grammar, this brand new edition, the Collins Easy Learning Spanish Verbs offers beginners a clear and easy-to-understand guide to Spanish verbs. The main section of the book consists of 80 fully conjugated verbs, regular and irregular. Each is self-contained in a full-page spread showing all the major tenses, clearly set out with pronouns. The introduction gives a detailed explanation of each of the three main tenses. It also deals with compund tenses and the use of the passive. Finally, an alphabetical index lists almost 3000 widely used verbs, each one cross-refers the user to its basic model in the main verb tables.
