What can you do in fifteen minutes?...Wait in a supermarket queue? Flick through the latest celebrity magazine? Watch half an episode of Eastenders? Now with this revolutionary new system for learning a language you can learn French in just 15 minutes a day and speak and understand the language with confidence. This unique visual approach makes learning quick, easy and fun. No homework, no writing, no fuss.

Practice just 4 times a week for 3 months.

Includes ready-reference features, cultural tips, and newly commissioned photography for a true flavour of the culture.

Just use the cover flaps to hide the answers so you can test yourself as you learn.

15 Minute French is an innovative approach to learning the basics of a language. The guide is divided into sixty 15-minute learning units. The recommendation is that you learn four units a week and revise on the fifth day, completing the whole course in just 12 weeks. Now there is no excuse – learn French today!

这书对于TTS来说是个灾难……

这本给零基础应该很难懂吧

翻了翻 喜欢的 国内有的买伐拉？
