装帧:Audio Cassette

isbn:9780521497664

Cambridge Practice Tests for IELTS 1 contains four complete practice tests for the Academic module of the International English Language Testing System examination, plus extra Reading and Writing papers for the General Training module. Written by experienced IELTS examiners, one based in Britain and one based in Australia. The Student's Book contains an introduction to the different modules of the exam together with an explanation of the different IELTS question types and how to approach them. The inclusion of annotated keys and tapescripts for each test makes the book ideal for students working partly or entirely on their own. The Audio CDs contain listening material carefully chosen to reflect the reality of the exam in terms of timing, format and the types of speaker and accent used.
