

# 1,001 Symbols

[1,001 Symbols 下载链接1](#)

著者:Jack Tresidder

出版者:Chronicle Books

出版时间:2004-02-01

装帧:Paperback

isbn:9780811842822

Pleasingly chunky and vibrantly colorful, this pocket-sized compendium covers iconography from around the world and is perfect for travel and museum outings. Author Jack Tresidder examines common imagery in art, religion, and literature, revealing hidden meanings rich with cultural history. For example, did you know that the phrase 'salt of the earth' comes from the ancient use of salt as a preservative and

the associated idea of incorruptibility? There is a symbol for virtually every human emotion and "1,001 Symbols" helps us unlock them in a winning format that's proven as popular as its subject.
