Plants and flowers, borders and bouquets, popular art, chinoiserie, and faience, Koustrup, provides simple design techniques as well as more general tips on caring for plant and flower models to help ceramicists, cloth painters, embroiderers, and weavers adapt the motifs to their own styles and on their own mediums. From Kellinghusen faience patterns to floral garlands and the traditional Danish “three tulip” motif, this handbook is a rich source of inspiration for and artistic creators of all ability levels and persuasions.
